- The work numbers correspond to the catalog numbers, but do not necessarily reflect the order of display in the exhibition.
- In this List of Works, the exhibits are divided by chapter. Based on the information provided by the owners, the entries are generally listed in Japanese and English in the following order: No., artist/designer, title, year, technique/material, size, and collection. For dresses, the artist/designer and title are separated into “Pattern” and “Dress”.
- Regarding sizes, unless otherwise noted, dimensions are given as height × width for exhibits other than dresses, and length for dresses. For Nos. 25–32 (excluding No. 26), dimensions are given as diameter × overall height. Some sizes have been omitted where the information was not provided by the owners.
